

Dear Sirs,

Please block the Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election. This is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But when large companies control the airwaves, we get more of what's good for the bottom line and less of what we need for our democracy. Instead of something produced at "News Central" far away, it's more important that we see real people from our own communities and more substantive news about issues that matter.

Please take direct swift action against Sinclair and protect the citizens from not being able to receive fair and balanced coverage.

Thank You  
Andrew Brennan
